

Mount Vernon, OH - 2018

This report spans all of Indiana and Ohio.

Phone: 937-826-3003

Web: <http://www.iasyieldtrials.com>

All hybrids/varieties being reported are entered into the IAS plot system. Any of these hybrids/varieties found in the following third party trials, [OSU Performance Trials](#), and [Purdue Performance Trials](#) have also been included in these results. Yields highlighted in red are below average. [Relative Normalized](#) Lodging, Moisture, and Yield are calculated using the average lodging, moisture and yield of the plots in the geographic area selected.
